

MK211 BENCH SCALE

- ❖ Economy weighing scales suitable for all kinds weighing
- ❖ Led display and easy operation

Functions

Features

Indicator:

- Led display
- Accuracy class: OIML (III)
- Resolution: 5000e » Interval: 1 / 2 / 5 / 10 / 20 / 50
- A/D converting speed: 10 SPS
- Communication: RS232
- Built-in power supply 3.7V/2Ah Lithium battery life of 25 hours

Platform

- Resolutions: 1/3000, 1/6000, 1/10000, 1/15000
- Aluminum single point load cell
- Frame: Mild steel # Cover: Stainless steel
- 38.5mm diameter round pole
- Overload protection

Standard sizes and capacity:

Model	Platform size (mm)	Maximum weighing capacity (kg)					
		30	60	100	200	300	500
MK211C	300 x 400	30	60	100			
MK211S	400 x 500	30	60	100	200		
MK211M	500 x 600		60	100	200		
MK211L	600 x 800			100	200	300	500
Approvable readability		5g	10g	20g	50g	100g	200g
Min. capacity (approved scales only)		100g	200g	400g	1kg	2kg	4kg
