

MK231 BENCH SCALE

- ❖ Economy weighing scales suitable for all kinds weighing
- ❖ Large display and easy operation

☑ **Functions**

Accumulate Hold Animal weighing Checking Sorting Rechargeable battery RS232 RS485 Printer(optional)

☑ **Features**

Indicator:

- Display: 6 digit / 50mm height LCD/ LED with backlight
- Accuracy class: OIML (III)
- AD convert: Σ - Δ , 24 bit
- Resolving: display 15,000, internal code 1,000,000
- Communication: RS232
- Battery enduring life: 40 hours of continuously use
- Power supply: AC 110-220V, 5- 60Hz / Internal battery 4v/4Ah
- Operating temperature: -10- 40°C, Humidity \leq 85% R.h

Platform

- Resolutions: 1/3000, 1/6000, 1/10000, 1/15000
- Aluminum or Stainless steel single point load cell
- Frame: Mild steel # Cover: Stainless steel
- 38.5mm diameter round pole
- Overload protection

Standard sizes and capacity:

Model	Platform size (mm)	Maximum weighing capacity (kg)					
		30	60	100	200	300	500
MK231C	300 x 400	30	60	100			
MK231S	400 x 500	30	60	100	200		
MK231M	500 x 600		60	100	200	300	
MK231L	600 x 800			100	200	300	500
Approvable readability		5g	10g	20g	50g	100g	200g
Min. capacity (approved scales only)		100g	100g	400g	1kg	2kg	4kg
