

## COUNTING SCALE

### UCA-H

- High quality scale for accurate counting
- Exquisite appearance and appropriate size.
- Durable primary plastic material, solid frame.
- Anti-pest and dust proof design reduce failures rate.
- Mechanical buttons and Intelligent integrated circuit for more accuracy and long using life.

#### ■ TECHNICAL FEATURES & FUNCTIONS

- Load cell with high accuracy of 1/6,000 - 30,000.
- Internal resolution:30,000~150,000.
- ABS housing, stainless steel pan.
- Large LCD display with back light.
- AC/DC double use. AC:110V/220V.DC: 6V
- Rechargeable battery. Up to 80 -100 hours of continuous use.
- Functions; auto-counting, zero, tracking, tare, quantity check and set alarm.

#### ■ CAPACITIES & DIVISIONS

Capacity		1.5kg	3kg	6kg	15kg	30kg
Division	A	0.2g	0.5g	1g	2g	5g
	B	0.1g	0.2g	0.5g	1g	2g
	C	0.05g	0.1g	0.2g	0.5g	1g
